Screen 1

The image shows a mobile application login screen for 'Vacation Planner'. The background is a scenic photograph of a tropical beach with clear turquoise water and a bright blue sky with wispy clouds. The title 'Vacation Planner' is centered in a large, white, italicized serif font. Below the title are two light gray rectangular input fields. The first field is labeled 'Username:' in a dark blue sans-serif font. The second field is labeled 'Password:' in the same dark blue sans-serif font. The overall design is clean and modern, with a focus on the vacation theme.
